

# Delta Athletics

The Delta Athletic Department is excited to present the "Building Foundations" program for our coaches and athletes. It is our goal that everyone involved with Delta athletics will look at ways to use their athletic experiences to grow in the positive core values of their lives. The areas that the coaches will emphasize include commitment, integrity, perseverance, respect, responsibility and self-control. Student-athletes will have a chance to be rewarded with a "Building Foundations" T-shirt from the athletic department for any

evidence of growth in the area of these core values. Our hope is that all of the athletic experiences, both positive and negative, will still lead to the overall maturity of the athletes in all facets of their lives. It is our goal that athletics support the overall mission statement of Delta High School, particularly in knowledgeable decision-making and social responsibility.
