## GENERAL, CONDITIONS AND INFORMATION FOR BIDDERS

The following instructions and specifications have been prepared for the purpose of bidding. Any questions regarding these instructions, procedures or specifications should be directed to Darin K. Gullion, Assistant Superintendent at 765-284-5074.

1. All bidders, in figuring prices, must include in their base price all items normally considered to be standard equipment and all items we specifically ask for. All bids are to be based upon bidder's cost of materials and supplies in effect as of June 1, 2022, and bidders shall be required to document said costs of materials and supplies as of said date by including with their bid, current proof of pricing documentation from the bidder's original source of supply. All bidders shall furnish complete and full details on substitutions being offered whenever the following specifications cannot be adhered to.
2. Hereinafter, the owner of these specifications shall be considered as the Board of Education of the Delaware Community School Corporation or its officials.
3. All bids shall be submitted on Form 96 as prescribed by the State Board of Accounts including the non-collusion affidavit and be in accordance with the laws of the State of Indiana.
4. All bidders shall furnish complete specifications of items bid. Any optional bid shall be specifically mentioned and priced.
5. All bidders must state on their bid the approximate number of days required from receipt of order to delivery of items bid.
6. All bids shall be in an envelope addressed to "Delaware Community School Corporation" with the outside of the envelope marked "Sealed Bid Enclosed."
7. The Owner shall not be responsible for bids mailed, due to the irregularities on delivery of mail in this area. Late bids will be returned to bidder unopened.
8. Bids will be summarized and checked for content and equipment. A report will be available to the bidders a week after the opening.
9. It is not necessary for bidders to be present for the opening of the sealed bids on **June 16, 2022 at 8:00 a.m.** No bids will be let at this meeting. Bid information will be presented to the School Board at their **June 20, 2022** meeting at the Delaware Community School Corporation Administration Office.
10. The Delaware Community School Corporation Board of Education reserves the right to reject any part of any or all bids, or waive any informality.

11. Bidders shall have the right to adjust the contract unit price in an amount equal to bidder's actual change in the cost of materials and supplies occurring subsequent July 1, 2022 provided, however, that should bidders utilize an alternative source of supply, then the bidder's cost of materials shall be the lesser of
- a. The current cost from bidder's original source of supply
  - b. The actual cost of materials and supplies from bidder's alternative source of supply

Any change in the bidder's cost of materials and supplies after the base date shall be verified by proper documentation furnished to the responsible awarding board which shall include proof of price to the bidder from the bidder's actual source of supply.

"Bidder may reserve the right to allocate its product to its customers in a fair and equitable manner, if necessary, due to the reduction of the allocation from the source of supply to the bidder in accordance with any directives for mandatory allocations issued by an appropriate agency of the Federal Government."

13. 100,000 gallons more or less of Ultra low sulfur diesel fuel: (Federal and State Sales Tax exempt). Please bid the price per gallon exempt of Federal and State Tax. The Delaware Community School Corporation is not exempt from the Indiana Motor Vehicle Tax (.16), which should be included in the price. The same is true for the 20,000 gallons (more or less) of 87-octane gasoline.
14. The delivery of the fuel will be made into a 10,000-gallon diesel tank and a 1,000-gallon gasoline tank located at the Delaware Community School Corporation Transportation Facility located at 7210 N SR 3, Muncie, IN 47303. Approximately 7,500 gallons of diesel fuel and 750 gallons of gasoline will be accepted at each delivery.
15. The successful bidder agrees to blend #1 diesel fuel to the #2 diesel fuel and/or add an anti gel additive during the winter months (mid November to mid March) so as to maintain a -20 degree below zero Pour Point and a -20 degree zero Cloud Point.
16. Delaware Community School Corporation will test fuel to insure that it meets these standards. A substandard product must be pumped out and credited to the Corporation's account at the vendor's expense.
17. The bid must state the price for the following items A thru C. Total cost must be inclusive of all cost (tax, fees, delivery, profit, etc.) Total cost must be the total cost to the corporation to purchase.
